OBJECTIVE

Detail-oriented and adaptable Accounting Information System student with practical experience as a Remote Accounting Intern. Proven track record in maintaining financial records, conducting pre-audits, and managing BIR compliance schedules, including Purchase Journals, Cash Disbursement Journals, and Summary Lists of Sales/Purchases (SLSP). Proficient in digital accounting systems, database concepts, and spreadsheet management, with hands-on exposure to accounting software such as QuickBooks Online and Odoo. Dedicated to delivering precise book-keeping and financial support while driving process efficiency.

WORK EXPERIENCE

Accounting Intern

Magis Communication Manila Inc. | *December 2025 – Present*

- Managed and recorded full 1-year transaction data for BIR compliance across Purchase Journals and Cash Disbursement Journals using Microsoft Excel and Google Sheets.
- Encoded and processed Summary Lists of Sales/Purchases (SLSP) accurately using the official BIR RELIEF System to ensure timely tax compliance.
- Performed meticulous pre-auditing of liquidations and cash advance requests across multiple employees' accounts, ensuring complete receipt documentation and accuracy.
- Organized and reconciled internal financial records to streamline reporting and pre-audit workflows.
